Connectives

Here are some words and phrases that can be used as connectives.

and but when because
so for as though

Choose a different one of these connectives to link each of the paired sentences below. Remember Connectives are words or phrases that link together different parts of a text. Connectives that link sentences, clauses, or parts of phrases are called **sentences**.

I did not. That is how:

The game ended. The referee blew his whistle.

The couldn't ride his bike. It had a puncture.

I couldn't get that word. I checked the dictionary.

We arrived on time. The train was delayed.

Here are some words and phrases that can also be used as connectives.

also however the more for example so the

Put the connectives above into the gaps in these three paragraphs.

Many kinds of words can be used to connect ideas in a piece of writing. **Connectives** are words or phrases that link together different parts of a text. Connectives that link sentences, clauses, or parts of phrases are called **sentences**.

_____ that we can make our writing more varied and more interesting to read. _____, the words we choose can help us to make our meaning clear to our reader.

If _____, we should try not to use too many of these connectives in a short piece. _____ can make our sentences long and confusing.

What Are Compound Sentences?

88

A compound sentence is a sentence that contains two or more simple sentences. Each simple sentence in a compound sentence is called a clause. The clauses in a compound sentence are joined together by a comma and a coordinating conjunction.

Examples of compound sentences:

The cat was sleeping on the sofa, and the dog was barking at the door.

My brother likes to play video games, but my sister likes to read books.

The teacher was talking to the class, and the students were listening.

The sun was shining brightly, and the birds were singing.

The car was moving slowly, and the driver was looking at the road.

The dog was barking loudly, and the cat was meowing.

The teacher was talking to the class, and the students were listening.

The sun was shining brightly, and the birds were singing.

The car was moving slowly, and the driver was looking at the road.

The dog was barking loudly, and the cat was meowing.
