Brain Herniation

- Complications
 - Compression of PCA and anterior choroidal artery (AChA) can lead to infarcts
 - PCA courses above tentorium and medial to temporal lobe
 - AChA courses between medial temporal lobe and tentorium
 - Duret hemorrhages in brainstem
 - From stretching and tearing of pontine perforator arterles vs. thrombosis of small veins

Brain herniation syndromes radiopaedia. Brain herniation syndromes ppt. What is herniation syndrome. Brain herniation syndromes pdf. What is a herniation in brain. Symptoms of brain herniation syndromes. Types of herniation syndromes. Brain herniation syndromes radiology.
